- Queen V has been active in the New York City music scene and beyond for the last 20+ years, performing at famed NYC clubs CBGB, The Bitter End and Don Hill's, as well as regional/national tours opening for Billy Idol, Bon Jovi, Twisted Sister and sitting in with Corey Taylor and many others.

- Featured performers/co-writers on past albums:

Lemmy Kilmister (Motorhead), Tom Morello (Rage Against The Machine/Audioslave) and Vernon Reid (Living Colour).

- Recently V has been getting back to her songwriter roots with a softer sound heard on *Bridges Vol. 1* (2016), recorded on the famed Sound City console at Studio 606 in Los Angeles.

- *Bridges Vol. 2* (2017) continues the songwriting journey through Nashville and was recorded at Sound Emporium, and produced by Chad Carlson.

- Queen V's powerful voice and classic rock sound make her music great for fans of; Tom Petty, Sheryl Crow, Adele, Grace Potter, Norah Jones & Led Zeppelin.
